

Charlie McMullen Memorial Mile

The Rochester Institute of Technology's Men's and Women's Track & Field Teams are proud to honor the memory of one of the Rochester Area's top runners – the late Charlie McMullen - with the running of the Charlie McMullen High School Invitational Mile Races at the Annual Penfield-RIT Tiger Indoor Track and Field Invitational .

Charlie McMullen was a 1969 graduate of Spencerport High School where he won the NYSPHSAA state cross country championship his senior year. He went on to attend college at the University of Missouri where he was All-American in cross country, indoor and outdoor track. He was the first runner ever to break four minutes for the mile in New England when he ran 3:56.8 in a meet at Boston College in 1974. After two years off from running after college graduation, he resumed training and only six months later, showed his tremendous talent and versatility by winning the 1978 Drake Relays Marathon, which served as the US Championships, in 2:15:19.

Charlie's stellar career continued well into his 40's as he became a fixture on the USATF Master's Mile circuit across the country, clocking times near or under 4:20. At age 41, he ran a world master's best of 9:12.5 for two miles.

Charlie McMullen passed away from cancer at the age of 53 in August of 2003.

The Charlie McMullen Mile races are held annually in his honor.
